Each year the Lakes Area Youth Service Bureau (LAYSB) presents the James Trudeau Award to one law enforcement officer in our service area for their outstanding service to youth. To be eligible to receive the award, the licensed law enforcement officer must:

- Live or work in the LAYSB's primary service area which includes the Forest Lake School District #831 communities and all of Chisago County;
- Be a positive role model for youth
- Break down barriers between youth and adults
- Show enthusiasm, leadership, generosity and service to youth above and beyond job duties
- A connection to LAYSB is preferred but not required.

The recipient of the "James Trudeau Award" will be selected from all nominations received by the LAYSB Board of Directors. The recipient will be presented the award in front of friends, family, and peers at a special ceremony on a date to be determined.
